

Edwards House

Felsted

Private Client

AM-P successfully obtained outline planning permission, with all matters reserved, for the demolition of a two-storey building known as Edwards House, and the erection of two large detached residential dwellings in 2007.

Edward's House was a mid-20th Century red brick building, with a grey slate hipped roof. The property was originally occupied as a residential dwelling then after as a day school for 30 years. The school closed in 2015.
