

Land off Wingletye Lane

Hornchurch

Client: Thomas Bates & Son Limited

Land to the south of Lillyputts Farm and east of Wingletye Lane, on the urban edge at Hornchurch, has been promoted for development since 2012 by AM-P on behalf of Thomas Bates & Son Limited. This land was originally put forward as part of a 'call for sites' in the context of a Strategic Housing Land Availability Assessment (SHLAA) undertaken by the Greater London Authority (GLA).

It has subsequently been promoted via a 'call for sites' in respect of the emerging Local Plan for Havering, and in response to consultation carried out at the Issues and Options stage of plan-making.

Indicative Masterplan - AM-P
